

DIRECTOR OF CENTRAL INTELLIGENCE

**Security Committee**

SECOM-D-708

13 November 1979

NOTE FOR: Deputy Director of Security

FROM:

[REDACTED]

Chief, Community Security Group

SUBJECT: D/S Annual Work Plan  
Objective 6

I propose that the statement of Objective 6 and its performance measurement be recast to more closely follow the precept of E.O. 12036, I-601, Duties of the Director of Central Intelligence. I suggest the following wording:

"As Chairman of the DCI Security Committee move toward the establishment by the Intelligence Community of common security and access standards for managing and handling foreign intelligence systems information and products."

"Performance will be measured by the degree of leadership you have demonstrated as evidenced by the acceptance of your proposals by the DCI. Also, you will be judged by the degree of active participation you are able to engender among the Community's Security elements toward adoption of these proposals."
